Our website uses cookies to ensure that it functions properly and to enhance your browsing experience.

What are cookies?

Cookies are small text files that are stored on your device by your web browser. They help websites remember your preferences and improve the overall user experience.

Which cookies do we use?

Essential Cookies

These cookies are necessary for the proper functioning of the website, including:

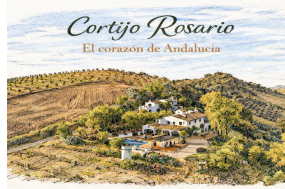

- Website security
- Reservation and booking processes
- Website navigation

Essential cookies cannot be disabled, as they are required for the website to operate correctly.

Functional Cookies

These cookies enable the website to remember your preferences, such as:

- Language settings
- User preferences
- Contact and reservation forms

Analytical Cookies

We may use analytical cookies, such as:

- Google Analytics

These cookies help us analyse:

- The number of visitors
- The most frequently visited pages
- The overall performance of our website

Where possible, IP addresses are anonymised before being processed.

Marketing Cookies

Marketing cookies are only placed with your prior consent.

Examples include:

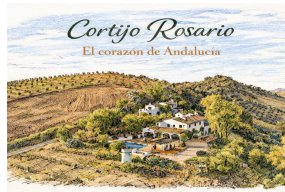

- Meta Pixel (formerly Facebook Pixel)
- Meta
- Google Ads
- Remarketing cookies

These cookies help us measure the effectiveness of our advertising campaigns and display relevant advertisements.

Managing Cookies

You can delete or block cookies at any time through your web browser settings.

Please note that disabling certain cookies may affect the functionality and performance of parts of our website.

Cookie Preferences

When you visit our website for the first time, you will be asked to set your cookie preferences.

You may change your preferences at any time through our cookie settings.
